LED HIM FROM THE PATH .- "Oh, for God's sake don't send us up for five years," cried Lizzie Woods, who with Julia Ward was before Judge Fitz-gerald in New York Wednesday charged with having robbed William S. Powell, a delegate to the Christian Endeavor convention in that city. She told how Powell had requested them to take him to a lodging house; of his having bought them drinks, and, incidentally, how they relieved him of his cash. The Judge calmly prefaced his remarks with, "I could sentence you to five years." Here the women broke down and cried for mercy, and the Judge ended the matter by giving them six months each.

Two Women TRY TO LYNCH ANOTH-ER.-James Knight, a Halifax, N. S., saloon keeper, separated from his wife some time ago and has since been living with another woman. Tuesday, while Knight was out of town, Mrs. Knight and her eldest daughter, provided with a clothes line and an axe, entered the saloon and assaulted the other woman. for me dayors in quires a thorough knowledge of chemistry, without which one assumes great risk of doing hum. They succeeded in getting a noose around her neck, and dragged her into the street. Just as they were about to throw the rope over a sign to lynch the woman the police interfered.

PRINCE MICHAEL "AT HOME" IN Prison.-Prince Michael K. Mills, who is serving a sentence in the Michigan penitentiary for assaulting Bernice Breekal, one of his followers, held an informal "at home" at the prison on Sunday. He was visited by his "spiritual wife," Eliza Courts, who is out on bail awaiting a trial on the charge of having improper relations with Michael. When Eliza saw the "Prince" she threw her arms around him and wept. They conversed for about an hour.

A Little Pleasant Rivalry with a Solid Substratum.

Substratum.

We will give two inches of advertising space for six months in the Alexandria Gazette to the dealer in Alexandria who shall buy and pay for the largest amount of our shoes between the first of March and the first of September, 1892, provided only that our shoes are mentioned in each issue of the space for the period named. Three months to second largest buyer; six weeks to third largest. This simply illustrates our anxiety to have every largest onlyer; six weeks to think largest. Insightly simply illustrates our anxiety to have every lady and child in Alexandria walk in Alexandria-made shoes. We will see that the ladies need never blush to say that their shoes are home-made, and if economy is wealth, we venture nothing in guaranteeing you wealth, as wearers of our shoes. s wearers of our shoes.
